## BOW FLOOR LAMP

Bow Floor Lamp draws inspiration from artistic interpretations of Georgian letterforms. These forms, though arbitrary, offer a study of light's interplay with traditionally solid shapes, resulting in a design that seamlessly merges functionality with a captivating exploration of illumination. Customizations available upon request.

### PRODUCT SPECIFICATIONS

MATERIALS	Metal   Hand Blown Glass
DIMENSIONS	39 W   4.5 D   73 H in 99 W   11.50 D   185.50 H cm
WEIGHT	22 lbs   10 kg
SHIPPING	Worldwide shipping Quotes upon request
PREPACKED DIMENSIONS	44 W   73.2 H   6 D in 121.92 W   185.93 H   15 D cm 27 lbs   12 kg
PREPACKED BOX WITH GLOBE	10.5 W   10.5 L   10.5 H in 26 W   26 L   26 H cm 3 lbs   1.4 kg

### LIGHTING SPECIFICATIONS

BULB   Provided	G4 1.0W - 12 AC/DC - 100 Lumens - 2700K (G4 EmeryAllen)
VOLTAGE	Standard   120V dimmable 0~10Vdc Upon request   220 V dimmable 0~10Vdc
LED LIFESPAN	25.000 hours

## MATERIALS AND FINISHES

*Blackened Steel*

## CLEANING INSTRUCTIONS

Prior to cleaning, please ensure that all lighting fixtures are turned off and disconnected from the main power supply. We recommend handling all components with care and using the provided gloves throughout the cleaning process

### *Powder coated Blackened Steel*

Use a dry soft cloth to gently go over marks until clean. Do not apply pressure on persistent marks. Remove them using repeated gentle motions and by reapplying with some clean water if necessary. Please note all of our metal products have a clear powdercoat for further protection. Do not use brass cleaners or abrasive pads as they will remove the finish.

### *Opaline Glass*

Remove the opaline glass from the product. Using a lightly damp cloth, clean only the outside of the glass and dry it with a dry soft dust cloth.
