TAJO COFFEE TABLE

The Tajo Coffee Table is constructed from buffed aluminum, shaped into a continuous folded surface with powder coated colored edges. Precision perforations extend seamlessly from the tabletop to form its integrated legs, creating a unified structure where geometry and function intersect. Customizations available upon request.

CLEANING INSTRUCTIONS

Metal

Carefully clean the surface using a soft, lint-free cloth lightly dampened with clean water to remove any marks. Once cleaned, promptly dry the metal with a soft cloth to avoid streaking or surface damage.
